Dear David:

Thank you for sharing your views on demographic threats and offshoring opportunities with the TXU Corp. board of directors and senior leadership team in Boca Raton last week. Your knowledge of this area is undoubtedly very deep and your experience is wide. Your presentation was well-received and added greatly to the overall strategy meeting. I've heard compliment after compliment on not only your content; but your delivery. I know I very much enjoyed it!

Again, thank you.

Best regards,
